

## VOLUNTEER INSTRUCTIONS

Thank you for volunteering at John's Pass Seafood Festival!  
Please make sure you read all instructions.

Please keep in mind that day of event volunteers may be reassigned if needed to fill spots.  
Please be patient as this is a possibility - we put help where needed.

**Preparing** - All volunteers will receive a Volunteer T-Shirt at the beginning of their shift and 15 tickets at the end of each four hour shift. Please make note of the weather and dress accordingly; bringing an umbrella if needed. It is better to take off layers than be cold. Appropriate footwear is also important, flip flops or open toed sandals are not recommended, especially for those volunteers helping with setting up or tearing down. If you are working during setup, please bring your own gloves if you have them.

**Parking** - Parking is limited we definitely encourage ride shares, public transportation, Free Beach Ride. Should you choose to pay \$10 cash to park at the Winn Dixie Lot (15200 Municipal Dr, Madeira Beach, FL 33708) you will be reimbursed at check in. If you pay to park, take the free trolley service to the event. Please Note: We only reimburse up to \$10 should you pay to park in a higher priced lot.

**Arrival & Check In** - Main Ticket Tent (next to the information kiosk) located at the corner of 129th and Village Blvd. Please arrive 30 minutes prior to your shift time to get checked in, collect your refund, and receive volunteer instructions for your task. It is always best to plan for traffic since you are volunteering during event time.

**Departing** - Please wait for your relief to show up before you leave your volunteer area. If relief does not show up and you can't stay any longer, contact the Volunteer Check-In or stop a member of the Executive Committee. If you work extra time and would like to receive credit for your charity, group, or self, please check out the Volunteer Check-In area.

Thank you for your help in making this event happen!

To all volunteers, thank you so much for helping us make the event a success every year.
